

Mediterranean and Hispanic Heat-and-Serve Options

What is new?

New foodservice program designed to provide a smart solution for the ongoing labor shortages in the food service industry. The program offers a range of ready-to-heat-and-serve options featuring all-natural ingredients, specifically crafted to meet the demands of retailers, corporate, and institutional cafeterias facing challenges in supporting increased demand for fresh prepared foods. A diverse selection of sauces, paired with cooked proteins and sides that are versatile and can be utilized in hot bars, pre-packaged meals in stores or deli cases. Plus an assortment of hand held items and retail-ready entrees.

KEY FEATURES:

- Home style recipes
- Restaurant quality flavor

- Shipping Frozen or Fresh
- Shelf life 360m frozen / 10-14 days thawed

- Cooked from scratch in house
- Low labor, convenient, heat and serve

- Heat in their bags for most items
